Classes run:

Weekday classes:

Ages 6-9 Tuesday (4pm – 5.15 pm)

Ages 10-12 Wednesday (4 pm – 5.15 pm)

Ages 13-14 Tuesday (5.30pm – 6.45 pm)

Saturday classes:

3.30pm-5pm Drawing (ages 12-14)

If you would like your child to attend classes at Emerald Arts but cannot make these class times, we may be able to arrange a time more suitable.

Students will learn and experiment in a broad spectrum of artistic styles and techniques, the program will include:

Sculpture, toy design and construction, Acrylic and Watercolour painting (inc. how to blend colours and painting techniques to enhance pre-existing skill sets), technical drawing, illustration, graffiti art (on canvas, not walls), and Visual literacy (interpreting media forms for meaning, intent, purpose etc).

If parents or students have any particular requests, for example an area of the curriculum or skill that they wish

to focus on, we are always more than happy to discuss incorporating these into the program.

Weekday classes will focus on group activities. The Saturday afternoon classes are for students who wish to explore more finely tuned studies. These classes will begin with a drawing lesson followed by guided experimentation with a range of visual media.

Class sizes are limited to 8 students per class to maximise interaction between student and teacher.

Cost: Lessons are \$20 each, or parents can pay in blocks and receive a discount (10 weeks) \$175. Payments can be made in cash (in person), by cheque (made out to “Emerald Arts”) or by direct deposit (internet banking).

Please note: fees may not be refunded if students do not attend class, however, students may arrange to make up missed classes. Fees cover basic materials (paper, paints, drawing implements). If students require extra supplies for a project parents will be advised ahead of time (for example, if a student wishes to keep a “visual diary”).

Students are advised to wear old clothes and to bring an old work shirt or apron, as painting can tend to be messy.
